

WBE IS NOW TAKING SERVICE REQUESTS ONLINE!

Introducing our Service and Maintenance Request web page

WBE's service team is ready to provide commercial service for the greater nine Bay Area Counties' Building Managers, Building Engineers, Clients and General Contractors. With six divisions: Electrical, Telcom, A/V, Security, Traffic Services, and IT Services; the WBE team will cater to your needs and assist you in getting the job done! We invite you to learn more about our services and discuss your project needs with one of our experts. No job is too small. Let us be your one stop shop!
