

Partner Certification

Belden hereby confirms that

W. Bradley Electric, Inc.

is a Partner Alliance Installer and Integrator Program Member
for 2021.

This certificate confirms that the company may certify Belden Smart Building Networking Systems.

A Belden Certified System is a structured cabling system that has been engineered, designed and installed by the Belden Certified Partner in accordance with all applicable Belden guidelines. Belden Certified Networking Systems receive an extended component warranty and application assurance.
